SECTION 2: IDEOLOGICAL ALIGNMENT & VALUES

1. Household Ideology & Harmony: *(To maintain a peaceful environment, it is imperative for this section to answered with transparency).*

- ☐ **Ideological Compatibility Priority:** It is highly important to me that my housemates share my general social/ political worldviews (e.g., I would feel highly uncomfortable sharing common spaces with a vocal, active supporter of Donald Trump / MAGA, or vice versa).
- ☐ **Neutral / Non-Political Sanctuary:** I may hold personal views, but I strictly require a home environment where political discourse, media broadcasts, or ideology are completely omitted from shared spaces.
- ☐ **Open Spectrum:** I am fully comfortable living alongside individuals across any political or social spectrum, provided an unwavering standard of high-class courtesy is maintained.

2. Social Inclusivity:

- ☐ Yes, absolutely. I am fully supportive and comfortable sharing an upscale home with a Transgender individual or member of the LGBTQ+ community.
- ☐ I prefer a highly traditional household dynamic and demographic profile.

3. Broadcast Media & Shared Space Ambiance:

- ☐ I prefer a home where news networks (Fox News, MSNBC, CNN, etc.) can be played casually in common areas.

I consume media entirely via private devices. I expect shared living spaces to remain entirely free from polarizing news broadcasts.

SECTION 3: DAILY ROUTINES & CHRONOBIOLOGY

4. Your Natural Waking Window:

- ☐ Early Bird / Active Morning (4:00 AM – 6:30 AM)

- ☐ AM) Nocturnal Rhythm / Night Shift (Active or awake past 12:00 AM)

6. The Shared Space Morning Ambiance:

- ☐ **The Quiet Solitary:** I view my mornings as sacred space. I prefer calm, quiet, and minimal social interaction while making coffee or preparing for the day.
- ☐ **The Social Greeter:** I thrive on warm interactions, morning pleasantries, and connecting with housemates briefly to start the day.

7. Physical Presence & Work-From-Home (WFH) Load:

- ☐ External Footprint: I work entirely outside the home, travel extensively, or maintain an active daytime schedule away from the house.
- ☐ Hybrid Footprint: I occupy the physical home for business/activities 1–3 days a week.
- ☐ Full-Time Resident Footprint: I work remotely full-time or enjoy spending the vast majority of my daytime hours inside the residence.

SECTION 4: SOCIAL BOUNDARIES & DOMESTIC STANDARDS

8. Outer Social Circle & Guest Expectations:

- ☐ **Strict Sanctuary:** I view the home strictly as a private haven. I prefer a home where guests are rare, overnight visitors are restricted, and loud group social gatherings are entirely absent.
- ☐ **Balanced Social:** I enjoy hosting occasional elegant dinners or welcoming close family for a brief stay, provided it is pre-arranged and respects designated quiet windows.

9. Intended Level of Housemate Community:

- ☐ **Parallel Living:** I desire flawless courtesy, peaceful greetings, and profound respect for boundaries, but I ultimately prefer independent, private personal lives.
- ☐ **Connected Living:** I prefer an intergenerational community where housemates organically connect—sharing a glass of wine, an evening meal, or a casual conversation now and then.

10. Culinary & Culinary Space Hygiene:

- ☐ **Pristine Immediate:** I operate under a zero-trace policy. Pots, plates, and countertops are completely cleaned, sanitized, and reset within 30 minutes of eating.
- ☐ **The Grace Window:** I like to enjoy my meal, unwind, and will entirely clean and reset the space before retiring for the night.

11. Environmental & Scent Sensitivities (Please detail any allergies, sensory or chemical sensitivities to perfumes, candles, or cleaning goods):
